

# Public Outreach Needs Your Financial Support

## What does the Public Outreach committee do?

The purpose of the Public Outreach committee is to coordinate the efforts of OA groups interested in carrying the message of recovery to those outside our Fellowship, including hospitals, treatment centers, correctional facilities, religious organizations, schools, libraries, corporations, and civilian and military professional communities. They plan events to reach out to various groups, to help reach the still suffering compulsive eater.

## How can your group help?

- Take a group conscience to see if your group is willing to help. If the answer is yes, agree on how often to collect for Public Outreach. Some groups do this each month, e.g., on the first meeting of each month. Others do it just once, and others do it periodically. This is completely up to your group!
- If the group is willing to help, please pass the basket a second time to collect funds.
- Fill out the form at the bottom of this page and give it to your treasurer, along with the funds collected.
- Treasurer – please write a separate check and mark it “Public Outreach,” then send the funds to the Intergroup office.

If you have any questions, please contact the OA office at (818) 888-4776 or send an email to [publicinfo@oasvalley.org](mailto:publicinfo@oasvalley.org).

And thank you for your support!
